Microsoft® MASM Professional Development System, Version 6.13 Patch Update

AMD has taken the lead in developing a new set of instructions that enable exciting new levels of performance and realism. 3DNow!™ technology premiered in the AMD-K6® -2 processor in 1998 and is used in the AMD Athlon™ processor and AMD-K6-III processor. Update Microsoft® MASM 6.11 to take advantage of this exciting technology.
